

WARRIORS FOOTBALL

WISCONSIN INDEPENDENT YOUTH FOOTBALL LEAGUE (WIYFL)

Associate Members of the WI All-American Youth Football League (WIAAYFL)

PROGRAM: Established in 1996, the WIYFL was the first youth football program in Waukesha to provide an opportunity for players in the 5th and 6th grade to play tackle football. In 2007 the 3rd/4th grade level was added. This is a full contact football program, designed to develop players at an instructional level of play. **PLAYERS AND PARENTS SHOULD UNDERSTAND THERE IS A RISK OF INJURY.** However, the risk of injury is greatly reduced through a proper training and practice program, with specific rules intended to increase the safety for all players. (i.e. weight limits are placed on all **offensive backfield and receiver positions**). Players over the weight limit can still play, but not as an offensive back or receiver. Because of insurance provisions players must be in grades 3 through 6 (age 12 and under all season). All players receive quality playing time, with a safety first attitude. Playing time is directly related to the players participation and effort in practice. During the first week of practice all players go through a required conditioning, agility, and technique program to prepare them for the contact involved in football. During this time players are given the opportunity to try various positions, but remember the needs of the team will come first and as mentioned the rules may effect where a player may play on offense. Separate teams for 5th and 6th grade players will be established and compete in the WIAAYFL, the top youth football league in the State of Wisconsin. By February 15th, sufficient numbers to safely field teams, at the 5th and 6th grade, must be registered to commit to the WIAAYFL for play in the fall. The 3rd and 4th grade players will be part of our WIYFL Learning League. These teams will attempt to have a lower player to coach ratio to insure the younger players receive the proper training.

PURPOSE: The purpose of WIYFL-Warriors is to provide a positive football experience for players through PARTICIPATION. It is our goal that each player learn the basic football skills, techniques, and experience needed to better prepare them for their next level of football. Additional goals of the program include the development of such qualities as; Sportsmanship, Discipline, Confidence, and Ability.

PRACTICE AND GAMES: Practice will start on the second Saturday in August. Practice before school starts are generally 4-5 days a week. Once school starts teams practice a maximum 3 days a week (two days for the 3rd/4th grade). Weekday practices will generally be from 5:00-6:30p and Saturday practice from 9a-12p. An annual multi-team scrimmage is held two weeks after the start of practice. All league games will be played on Saturdays, between 9:00a & 4:30p, starting after Labor Day and ending in late October, followed by our annual Awards Ceremony to recognize all team players and coaches.

EQUIPMENT: The WIYFL will provide for each players use: Football Helmet (NOC-SAE certified), Shoulder Pads, Game & Practice Jerseys, Game & Practice Pants w/Pads and mouthguard. Players must provide their own football or soccer shoes, athletic supporter and any additional pads they may desire for safety (ie. hand, forearm pads). Players are issued appx. \$275.00 in equipment to play. The equipment is upgraded and maintained annually to provide the players not only safe equipment, but the look of champions!

Register before February 15th to save \$50.00!

COST: Take advantage of our discounted **Early Registration Fee of \$175.00, if paid in full and postmarked by February 15th.** After February 15th the registration fee is \$225.00 and can be paid in two installments. A non-refundable \$125.00 fee must accompany the players registration form, the remaining balance of \$100.00, must be paid by **August 1st. Registration fee after April 1st increases to \$275.00.** Register early to avoid this increase. Refunds are made only if the program is unable to place a player on a team, the player moves out of the program boundary area, or is medically unable to participate prior to the first day of practice (medical statement required). Any request for a refund is handled case by case at the discretion of the WIYFL Board. If approved, a \$25.00 service fee will be applied and subtracted from any refund amount. Fees cover the cost of equipment use, league fees, game officials, liability insurance, game field and coaching equipment, certification/maintenance of equipment, field rental, and other costs related to operating the program. The Warriors offer the lowest registration fee in the area, as well as, a referral program (next page) to play football for little or no cost. Fourth year Warriors are also eligible for our Graduation Refund (next Page).

COACHING: We are always looking for good coaches. All coaches, as well as administrators, in the WIYFL are volunteers who wish to have a positive impact on young players. Many of our coaches have been with the program for years. All WIYFL coaches are required to be ASEP, PACE, NFHS, or NYSCA certified and require a background check. Coaches are also required to attend training sessions with the Program and Coaches Coordinators and are encouraged to attend off season clinics. Our coaches develop the basic concept of being a **TEAM**, through **“The Warriors Way” - “Hard work, Teamwork, Pride”**. Coaches will also develop team rules which are fair for all participants. These rules will help maintain order and discipline. The only standard rules for all WIYFL teams are: (1) Players must attend scheduled practices to guarantee their playing time. The general rule is, “Miss a practice, miss a minimum of a quarter in the game” (2) Players are required to wear all issued equipment from the WIYFL. Those interested in coaching should contact the Program or Coaches Coordinator. Quality coaching is a high priority, those interested must be willing to commit the necessary time to his/her team and players.

FUND RAISING: There are **No Mandatory Fund Raising** activities (i.e. raffle tickets, candy, pizza, etc.), however, those wishing to help in the concession stand or through other contributions of time or products is appreciated and will help keep our player cost reasonable. We do have an annual “Grab Bag” Fund Raiser to support our **Scholarship Program**. If you or your employer can help with items for the Grab Bags (i.e. product overstock, discontinued, discounts, promotional items) please contact the Program Coordinator.

QUESTIONS/COMPLAINTS/DISPUTES: It is important that open communication take place about any problem. Players or parents who have any concern about the program or policies should talk to their respective Head Coach about the problem first. If a satisfactory solution is not reached then the Program Coordinator should be contacted. Program Coordinator: Jim Grisaffi (547-8997)

WIYFL-Warriors Referral Program

PLAY FOOTBALL FOR FREE!

Warriors Football has developed a player referral opportunity for registered players. This referral program offers the opportunity to players to play football at little or no cost. We believe our greatest resource for promoting Warriors Football are those players and parents who have experienced "The Warriors Way". Help promote the program, and at the same time reduce the cost for your players participation. In 2011 \$525.00 was returned to parents for 38 referrals who joined the Warriors.

Here's how the referral program works:

- Your player must register with the WIYFL and have paid the full registration fee to be eligible to participate in the referral program.

- After your player is registered. You will receive an additional "Participant Application Forms" to distribute to friends, classmates, or neighbors. The forms are also available for download on the WIYFL web site at : www.wiyfl.aayfl.org. The player must put his name on the application form in the "referred by _____" portion (sample below) prior to distribution. Distribute as many participant application forms as you like.

"AMOUNT PAID _____ CK# _____ DATE _____ Referred by: **Bobby Black** "

- Request that the referred player/parent use the "Participant Application Form" with your players name in the "referred by" portion of the form (sample above). Once a player application is received in the WIYFL office no "referred by" will be added, and is ineligible for a rebate.

- Rebates will only be made for "new" referred players to the WIYFL program. Players who have previously been registered to play in the WIYFL are not eligible to be considered as a referral.

- Referrals must be registered by April 1st and have paid at minimum the first of the two(2) installment payments to be considered an eligible referral. Its important to get the word out early to new players, and get them registered.

- The referring players parent will receive a rebate of \$15.00 for each referral who registers as required, and is on the WIYFL player roster on September 15th. Any referring player who gets eight(8) or more new players registered, and they are on the WIYFL player roster on October 1st, will receive a full rebate of their registration fee, up to a maximum of \$175.00. Rebate checks will be provided or mailed to the registering parent on or after equipment return.

- Scholarship Players are not eligible to be considered as a referral or receive a rebate.

- If you have any questions on the referral program please contact the WIYFL Program Coordinator, Jim Grisaffi at 262-547-8997.

Warriors Graduation Reward Program

In another effort to help families reduce youth football participation costs, we are offering a "Graduation Reward Program" for players who have played Warriors Football starting in their 3rd grade year. Those players who play 3rd through their 6th grade season will be eligible to play for free. Players who have played Warriors football since 3rd grade will be reimbursed their registration fee (up to \$175.00) after their 6th grade season with the Warriors. To be eligible for reimbursement players must have been on each years roster the entire season. Scholarship players are not eligible for this program. Reimbursements will be sent out to the registering parent after the equipment is returned concluding the 6th grade season. In 2010, \$1500.00 was refunded to parents in the Graduation Reward Program. A maximum of \$175.00 for Graduation or referral programs per participating player.
